

BAD LOVE TIGERS

THE BAD LOVE SERIES – BOOK 2

KEVIN L. SCHEWE, MD, FACRO

Reader's ages 12 to 100 will see history come alive through the eyes of adventurous 1970s teenagers traveling through time. There is never a dull moment as the Bad Love Gang interact with 3 different U.S. Presidents, WWII history, the dawn of the atomic age, foreign espionage, the genesis of Area 51 and the possibility of extraterrestrial life as popular music paves the way during their exploits! The Bad Love Gang has gathered in the 1970s to celebrate New Year's Eve, when they are suddenly ambushed by a Russian KGB agent. Facing dire consequences if they don't act, they time-travel back to the 1940s to talk to President Franklin Delano Roosevelt to ask his advice. What follows is a dangerous road trip across 1945 WWII America, facing espionage forces determined to steal White Hole Project and Area 51 secrets. The popular music and songs with iconic hotels and historical references create an adventurous and exciting trip for the readers.

“

“Fasten your seatbelts for an action packed, weapons-grade time-travel adventure with planes, a flying saucer, and Area-51!” —David Alan Arnold, Helicopter Cameraman, *Deadliest Catch*, *Bering Sea Gold*, *SURVIVOR*

“The Bad Love Gang is back with more edge-of-your-seat adventure involving spies, planes and time travel. This novel will thrill history buffs fascinated by World War II and the Cold War and takes you on a wild road trip across America.”

—John Kelly/Detroit Free Press - 5 Stars

“Few writers have the well-tuned skill of incorporating popular music themes to inculcate historical arenas that Kevin L. Schewe achieves in his fascinating series BAD LOVE. With precision and humor and imagination his contemporary crew transports us to other times, and the journey is terrific!”

—Dr. Grady Harp/Amazon Top 50 Hall of Fame Reviewer - 5 Stars

“*Bad Love Tigers* combines the nostalgia of teenage friendships with a playlist that will have you reminiscing about the good old days.” —Kimberly Love, Author of *You Taste Like Whiskey and Sunshine*

“A wild romp through time—with its own sound track. This book is drenched in meticulously-researched historical detail. To me, the blend of imaginative science fiction with accurate fact is an unbeatable combination”

—Mike Ball, Erma Bombeck Award-Winning Author - 5 Stars

“A mind-blowing historically correct time-travel adventure, seeped in danger, laced with conspiracy and intrigue and the origins of Area 51!”

—Susan Keefe /Midwest Book Review - 5 Stars
